

---

**Product Features:**

- NFPA Class A & IBC Type 1
- Ignition barrier vent guard
- Non Petroleum
- Economical
- Available in custom sizes to fit your application

---

**Description:**

Polar-Ply Attic Vent-Baffle is comprised of aluminum foil laminated to Recycled liner Board flanged on two sides for ease of installation.

---

**Uses:**

Use Polar-Ply Attic Vent-Baffle whenever a secure air space is required for attic vents. Works well in conjunction with both batt and blown insulation applications.

---
